# Local Development Practitioners' Skills Virtual Training: Kick-off presentation

An online webinar introducing an innovative training pathway designed to test and develop tools relevant to the Local Development practitioner job market, delivered by professionals working in the field.

The training programme will run through three online interactive sessions from March to May 2026, one session per month.

Target: second-year Local Development students and alumni

With Prof. Chiara Rabbiosi, Vincenzo Pono (tutor) and representatives from 21Solutions, Angoli di Mondo, and ADSB Consulting.

Info: [master.localdevelopment@unipd.it](mailto:master.localdevelopment@unipd.it)

*Scientific coordinator: Chiara Rabbiosi*
