

# GENERAL STATE OF INDUSTRIAL HERITAGE

VENICE – PADUA  
25 – 27 OCTOBER 2018

The Italian Association for Industrial Archaeological Heritage (AIPAI), together with its main partners, within the European Year of Cultural Heritage 2018, launched and promoted by the European Union with the aim of increasing citizen's awareness and interest on knowledge and belonging of universal cultural heritage, organises the *General State of Industrial Heritage* congress: a three-day event dedicated to discussion and debate on industrial heritage as an essential part of a common heritage culture, from national and international points of view.

The event will take place from the 25<sup>th</sup> to the 27<sup>th</sup> October 2018 and includes an open and interdisciplinary approach to topics such as heritage knowledge, planning, restoration and development, by accepting papers from diverse fields related to industrial heritage: Universities, Institutes, Associations, Foundations, Companies, independent researchers and enthusiasts.

Abstract proposals related to the following **sub-themes** must be submitted within **31<sup>st</sup> July**:

- Production fields and landscapes
- Work history and culture
- The industrial city
- Industrial construction: technological innovation and materials, techniques and procedures experimentation
- Tools and structures for knowledge and development
