

1. Has the Winter School been in line with your expectations?

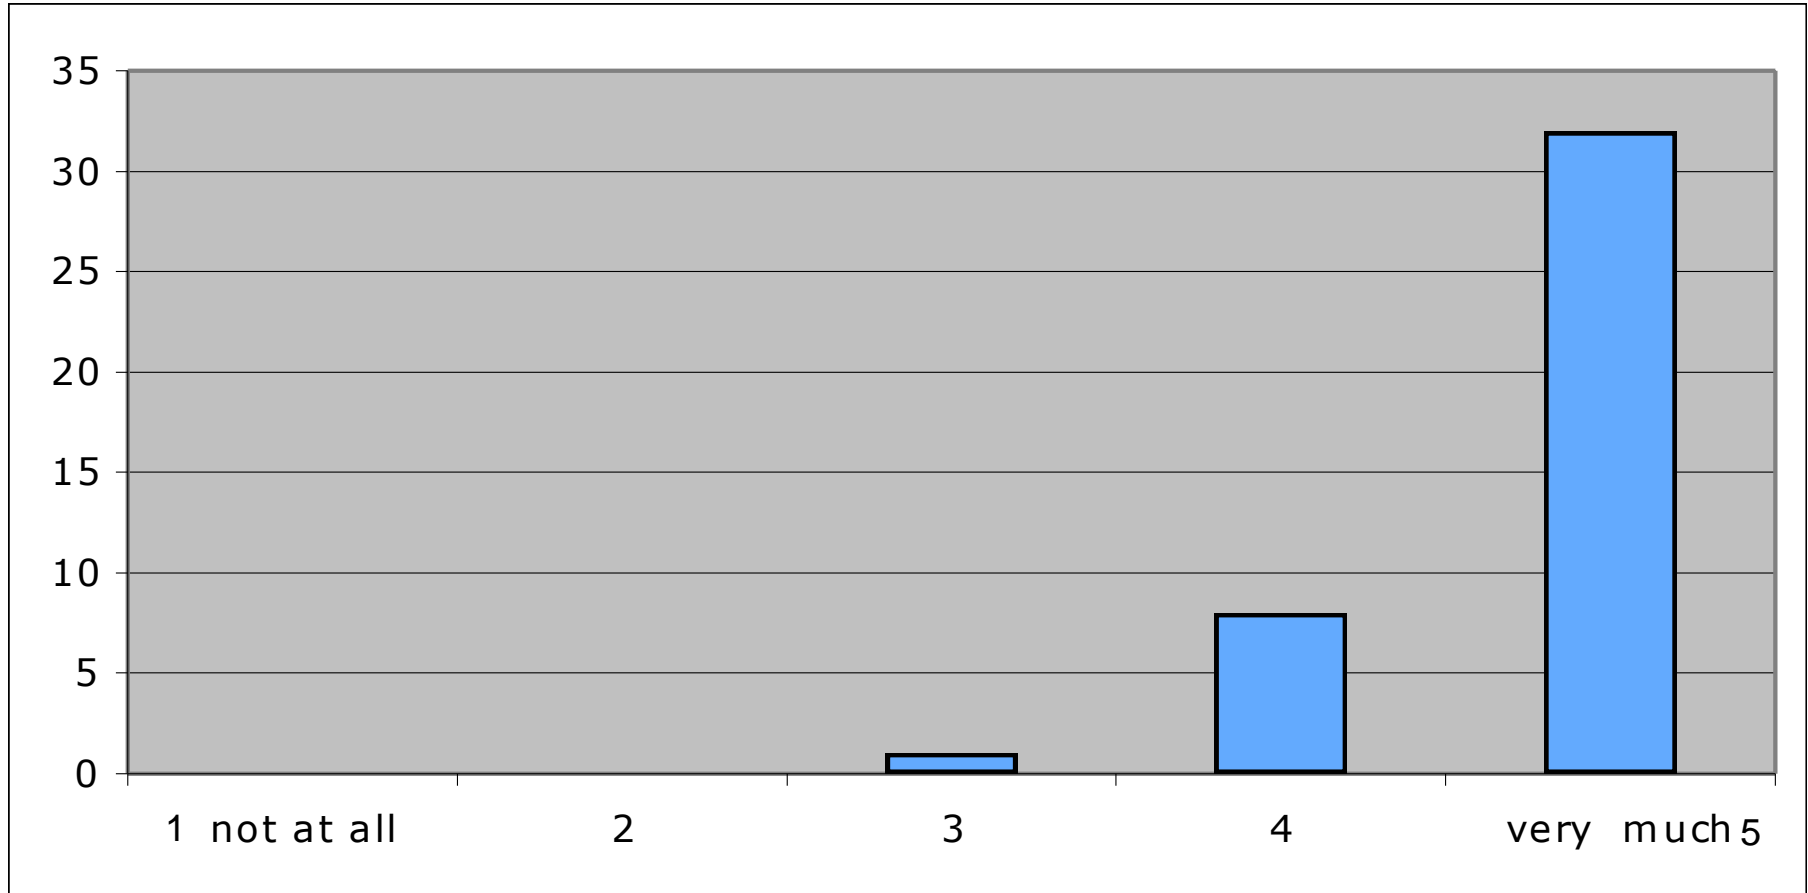

2. Has working in groups been a positive experience for you?

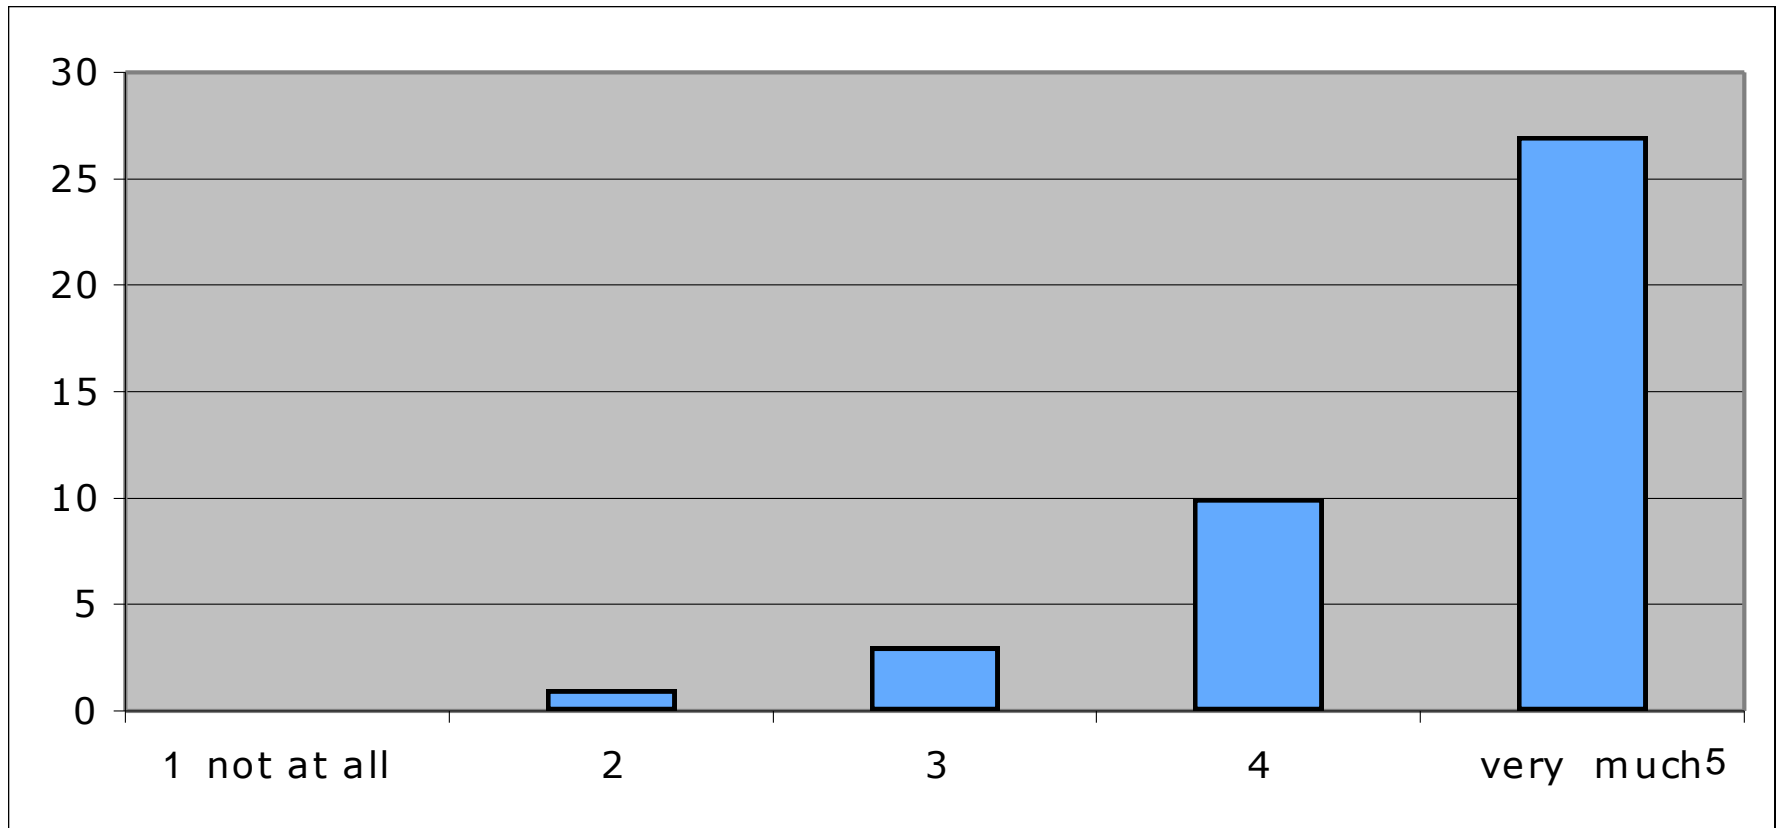

3. Did you find it easy to work within the group?

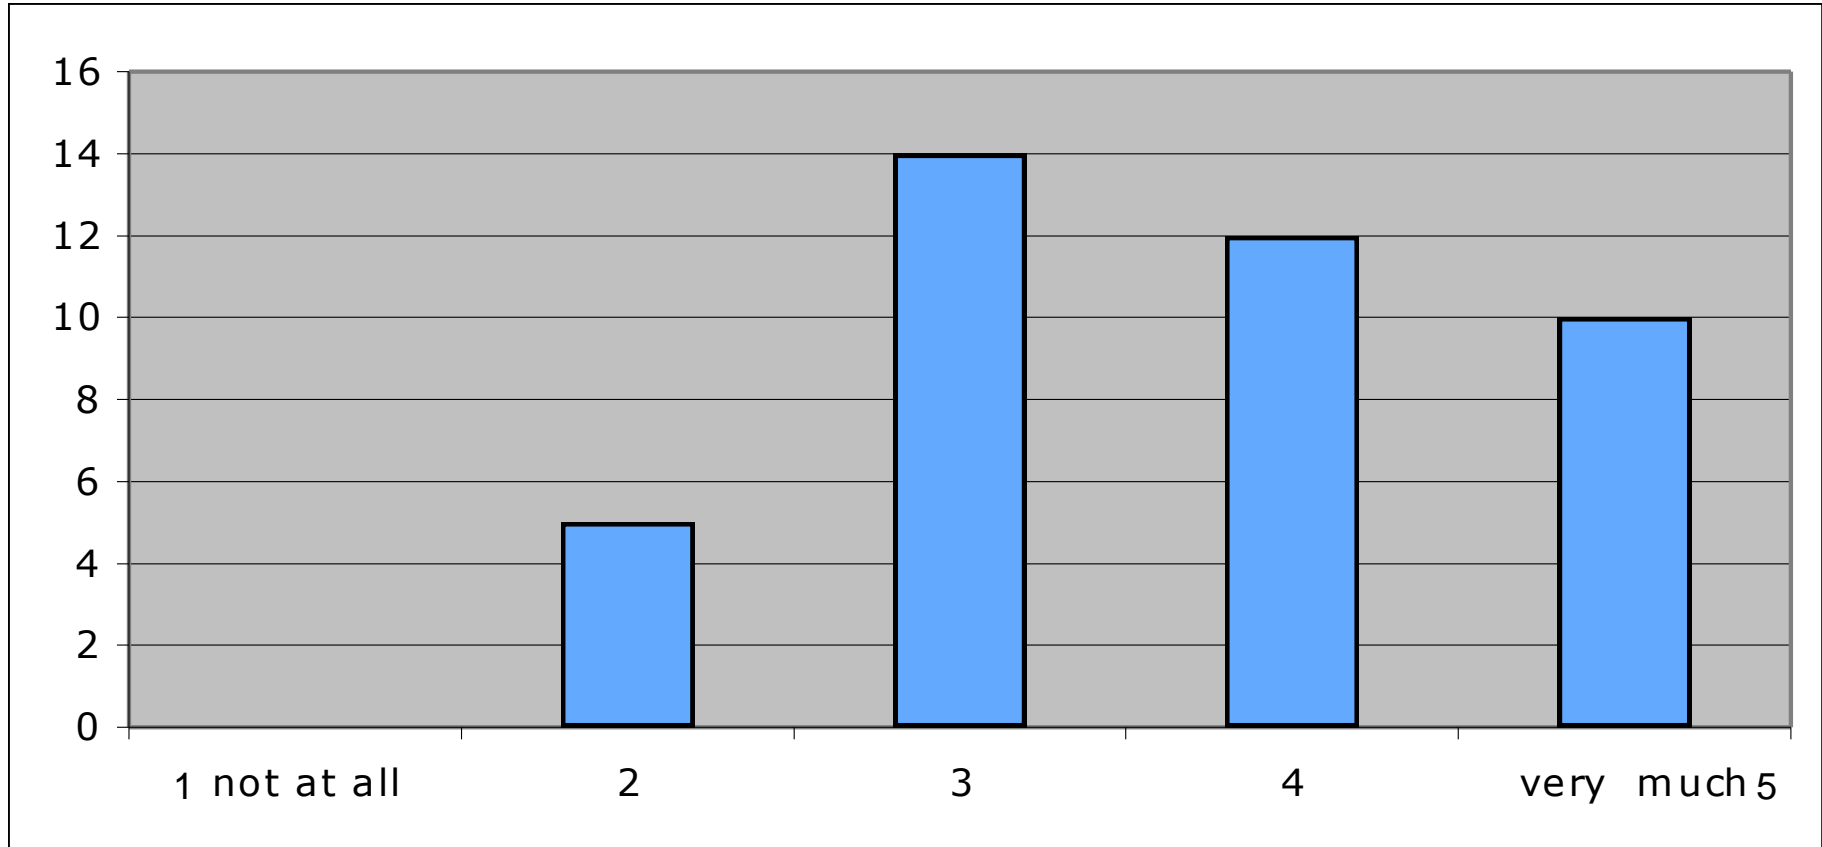

4. How interesting did you find meeting local people?

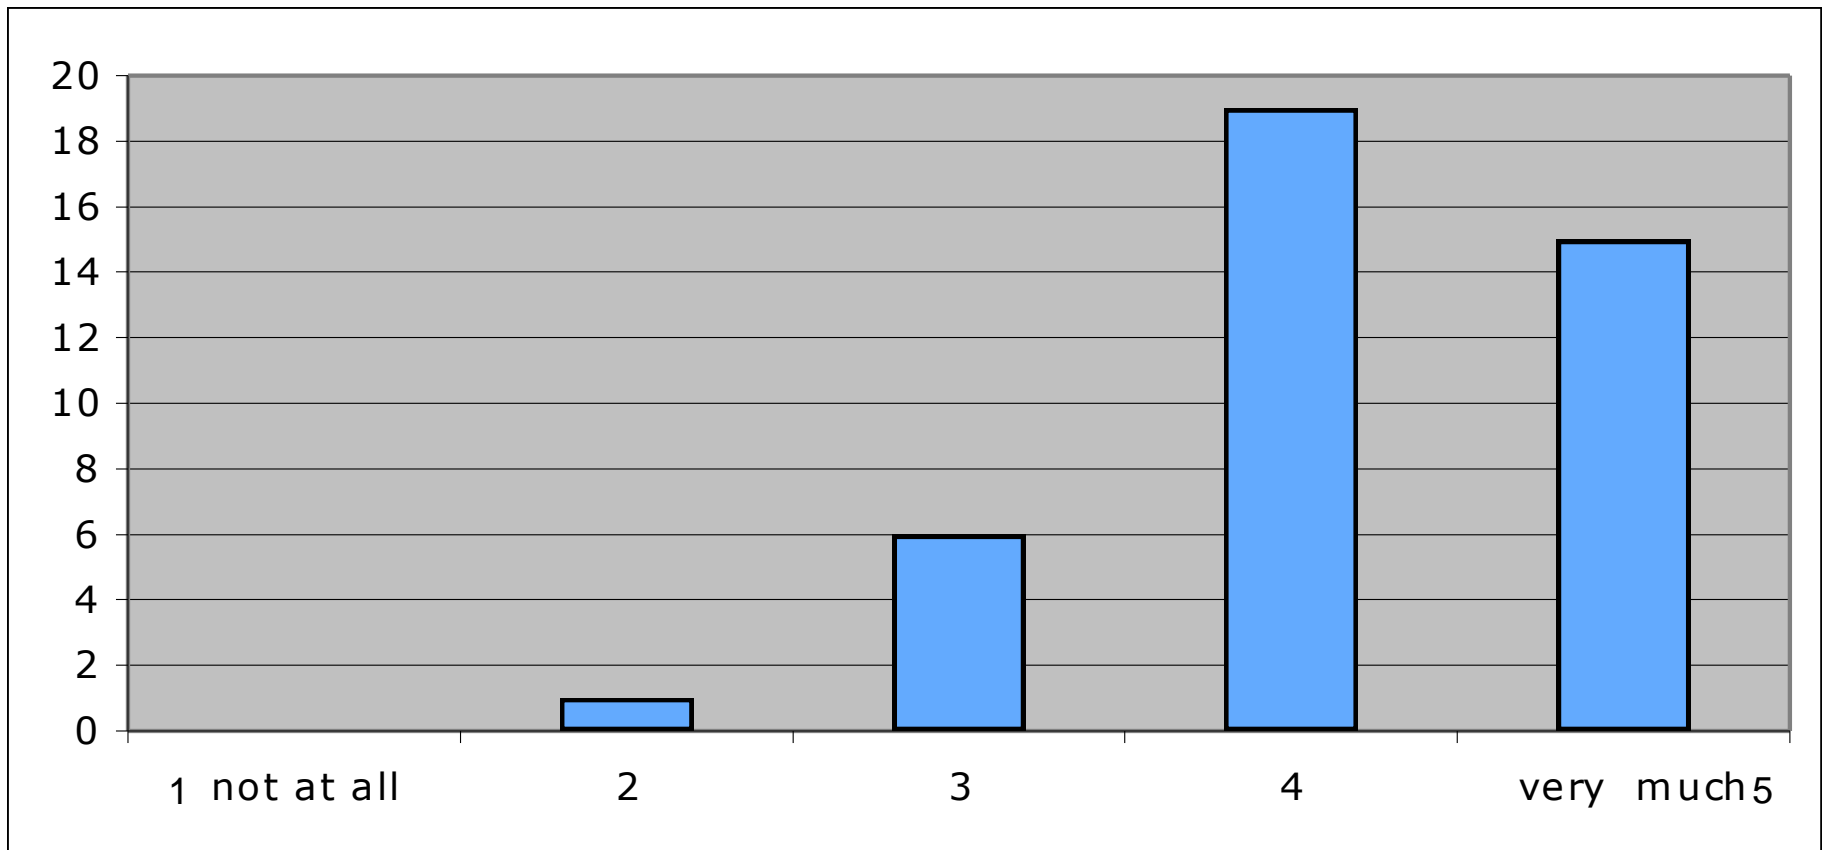

5. How interesting did you find the meetings with stakeholders?

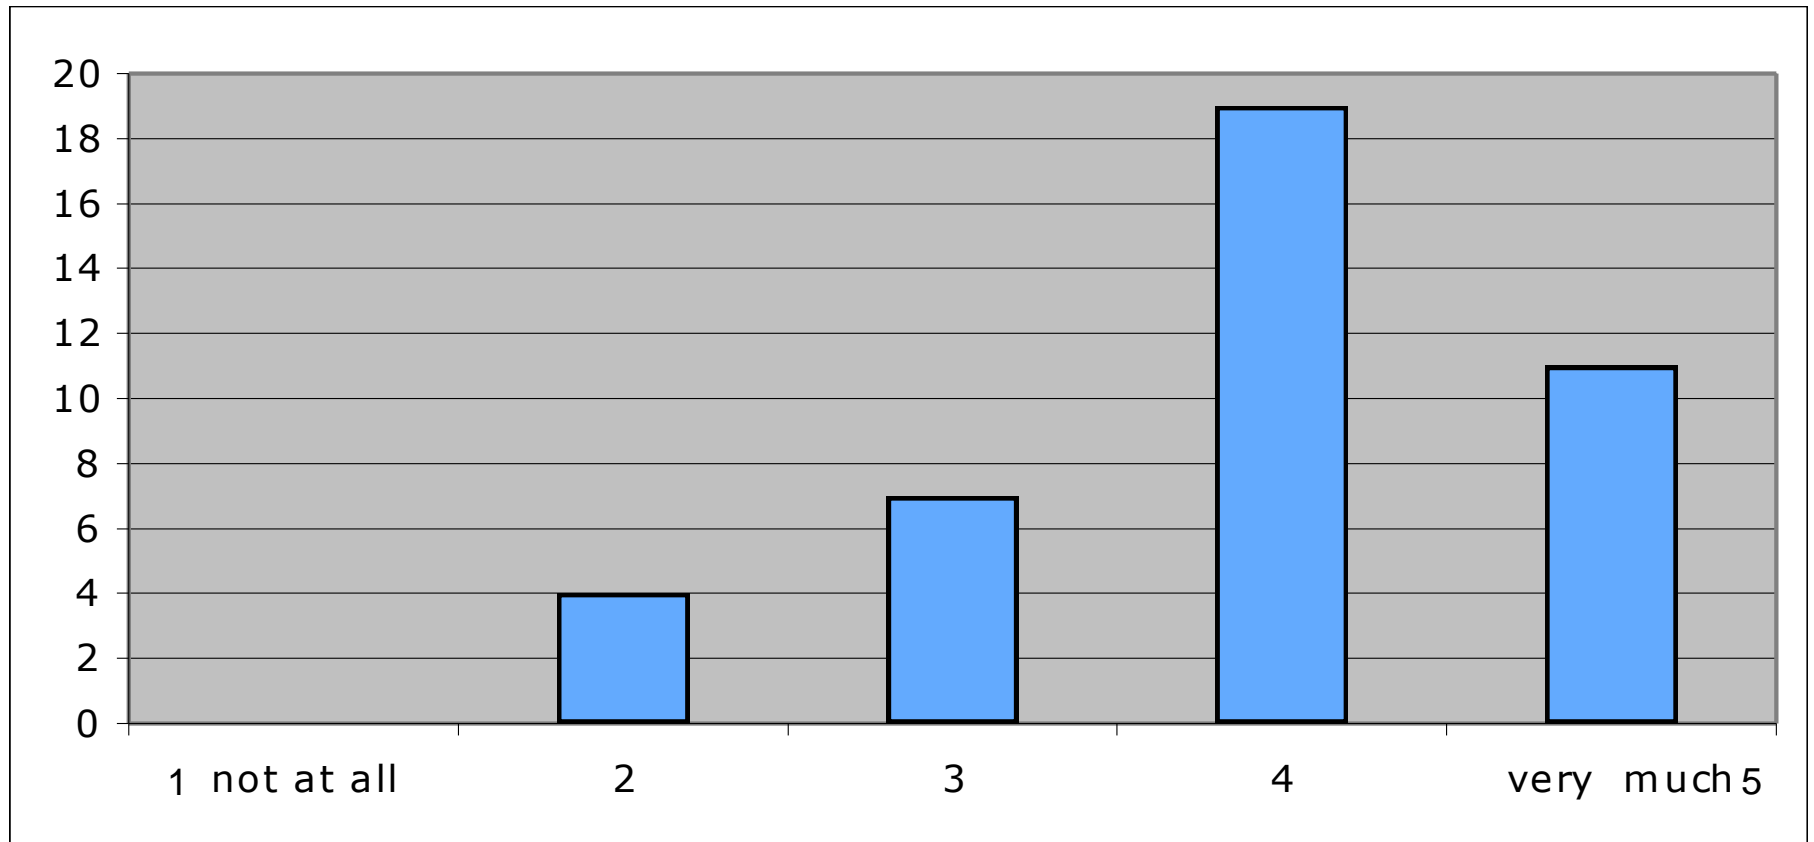

6. How interesting did you find the lectures?

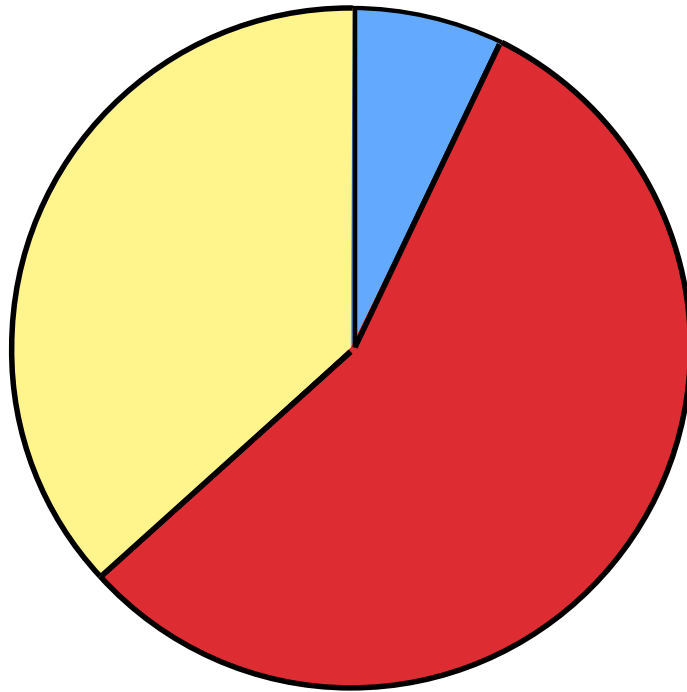

7. Did you find that the management of the work groups was adequate? (e.g.: clarity in defining its purposes, explaining basic ideas and the work structure)

8. In regard to its organization, did the Winter School utilize appropriately its resources (time, use of equipment, etc.)?

9. Evaluate the rhythm of the work group:

■ too slow

■ too pressing

■ just right

10. Did you enjoy the personal atmosphere of the work groups?
