The DiSSGeA Department

The sessions on Thursday 15 and Saturday 17 will take place at the Department of Historical and Geographic Sciences and the Ancient World (DiSSGeA), in the Bortolami Room, on the first floor of Palazzo Jonoch Gulinelli.

Access to the Department

The Department can be accessed either from Via del Vescovado 30 or from Via Dietro Duomo 22 (the quicker entrance, especially for those arriving from the railway station).

If you enter from Via del Vescovado, cross the outer courtyard and take the first door on your right as you walk along the courtyard; if you arrive from Via Dietro Duomo, it is the first door on your left. You will find the Department floor plan here:
